WASHINGTON, DC 20510

October 14, 2022

The Honorable Xavier Becerra
Secretary
U.S. Department of Health and Human Services
330 C Street, SW
Washington, D.C. 20416

Dear Secretary Becerra:

With the passage of the Continuing Resolution (CR), we write to urge the Department of Health and Human Services to release Low-Income Home Energy Assistance Program (LIHEAP) funds as quickly and at the highest level possible.

As the main federal program that helps low-income households and seniors with their energy bills, LIHEAP provides critical assistance during the cold winter and hot summer months. October marks the start of the heating season for many states, and with temperatures already dropping, low-income families and seniors are feeling additional strains on their household budgets.

Given the alarming increase in energy costs that is forecast for this winter, we worked to secure an additional \$1 billion in emergency funding for LIHEAP in the recently enacted short-term CR. It is critical that this funding, as well as the significant base funding available under the CR, is distributed as quickly as possible so it reaches these households in time for the winter heating season.

As such, we request that you immediately release these LIHEAP funds so that low-income households do not have to choose between paying for heat and affording other necessities like food or medicine.

We look forward to continuing to work with you on this critical program, and thank you for your attention to our concerns and those of our constituents.

Sincerely,

Jack Reed
